

The incredible power of the Xlerator

The "Xlerator" is absolutely unbelievable; you have to feel it to believe it. In mere seconds, the "Xlerator" completely dries your hands. The days of providing both hand-dryers and paper towels to people on-the-go are over. No more paper means no more mess, no more mess means less maintenance, no more paper means fewer costs. Save time and money with the "Xlerator".
