

SALC0503ZB | ALLIA™

ZIGBEE RESISTIVE LOAD CONTROLLER FOR CONNECTED HOME

LINK UP TO THE ALLIA LOAD CONTROLLER

With the Allia Resistive Load Controller, you can set your electric water heater, pool heat pump or outdoor lighting to operate only when needed from your phone, wherever you are. Perfect for other large residential and commercial resistive loads such as neon signs. The resistive load controller is compatible with the most popular Zigbee hubs including the Hilo and 4th generation Alexa Echo.
