

ACSW750, ACSW1000

SLOPED ARCHITECTURAL CABINET

ONE STEP CLOSER TO PERFECTION

The ACWS Architectural cabinet is a preferred unit for public institutions or any other commercial location requiring a large heating capacity. Its forward sloping top prevents people from depositing objects on it that could interfere with its efficiency. Finally, its sturdiness, including extruded aluminum grilles, and high performance have made its reputation. The ACWS is often the first choice for exhibition halls, conference centres, libraries and museums.

- **SLOPED TOP**
KEEPS THE UNIT FROM BEING USED AS A SHELF OR BENCH
- **INCREDIBLE HEAT DENSITY**
- **ATTRACTIVE EXTRUDED ALUMINUM GRILLE**
- **PERFECT FOR PUBLIC PLACES**
COMMERCIAL SPACES, PUBLIC INSTITUTIONS, ETC.

CWS750: This unit is intended for commercial use. Models with a density greater than 450 W/ft. can become very hot.

CWS1000: This unit is intended for commercial use. Models with a density greater than 600 W/ft. can become very hot.

IDEAL FOR:

shopping mall, hospital, lobby, corridor

COLORS

- **standard:** white
- **Orora (optional):** refer to stelpro.com/en/orora/

FINISH

- epoxy-polyester powdercoat

MANUFACTURING

- 18-gauge steel cabinet, 16-gauge steel front panel and extruded aluminum grilles with a thickness equivalent to 13 gauge
- front air intake and top air discharge
- thermal protection with automatic reset
- full-length wireway

ELEMENTS

- three elements (CWS750)
- four elements (CWS1000)
- tubular elements, stainless steel sheathed with boxed aluminum fins for improved heat dissipation; the elements are securely fastened at their centres, floating in nylon sleeves at each end, eliminating expansion and contraction noises

CONTROL

- wall thermostat (not included) – the use of an electronic thermostat is strongly recommended
- built-in tamper-proof thermostat accessible without removing front grille, installed in the left or right junction box (optional)
- low voltage relay kit installed in the left or right junction box (optional)

INSTALLATION

- surface mounted
- wall or floor mounted with or without pedestal kit (optional)
- wiring compartments at both ends of unit

WARRANTY

- three years

°STELPRO

Stelpro reserves the right to modify at any time the description, manufacturing, or price of its products. Additionally, Stelpro may apply restocking fees or refuse a refund based on one or more of the following criteria: optional color, custom product, assembly with low-demand options. For the latest product information and prices regarding the products, please visit the website www.stelpro.com.
